#### Description of Service:

4-5 pm

I arrived at 3:55 pm. I saw a package at the door and took a peak and it's from Chewys listed for the subject. Also a vehicle matching the description of subject vehicle was present but this vehicle has dealer tags. See pic.

5-6 pm

No activity. The package is still on the porch

6-7 pm

Approx 6:30pm an uber eats dropped off food at the subjects door. I proceeded to the front door and waited. I then noticed he had a ring camera and a peep hole. I covered them up and waited by the steps.

7 to 8pm

Approx at 715 pm the subject came out to the patio to check to see if I had left. He saw me and I saw him and recognized him by his photo but then he hurried inside before I can say his name or drop serve him by throwing the papers onto the patio

8:05 pm left the site
